## BarriAire™ Comfort Plus™ Face Mask with Adjustable Ear Elastic | Style No: 32001-00-167093

**Materials:** Heather gray 5.3 oz/yd<sup>2</sup> Comfort Plus™ (Lenzing FR®/Nomex®/Lycra with Silpure antimicrobial finish) rib knit quilted with 0.8 oz/yd<sup>2</sup> Nomex® Nano Flex. BarriAire™ quilted composite has over 96% particulate efficiency for particles 0.1 micron - 1.0 micron in size and has achieved a Viral Filtration Efficiency (VFE) rating of 96.8% and a Bacterial Filtration Efficiency (BFE) Rating of 97.9% as conducted by Nelson Labs. The air permeability is 23 (the higher the number, the more breathable).

### Features and Benefits:

- ① Exceptional particulate filtration while maintaining breathability
- ② Silpure antimicrobial finish prevents the proliferation of bacteria that can cause odors - providing long lasting odor and freshness protection
- ③ Adjustable Kevlar® covered elastic ear straps - 1 size fits most
- ④ Comfort Plus™ knit binding around entire mask
- ⑤ Flat stitched front seam, sewn with black Nomex® thread
- ⑥ 3D design with side pleats, minimizes fabric contact against nose and mouth
- ⑦ Elasticized binding beneath chin allows universal fit for various head/neck sizes, as well as forming an outstanding seal
- ⑧ Replaceable nose bridge tunneled inside Nomex® knit. Adjustable nose bridge creates tight seal for better protection and minimizes fogging of glasses
- ⑨ Advanced moisture wicking for greater comfort
- ⑩ Contoured fit against face minimizes openings for better protection - low profile aids field of vision
- ⑪ Exceptional wear life - can be machine washed and dried repeatedly

Blocks Contaminants
